

Australasian Cytometry Society 2018 Roadshow in Share Resource Laboratories

Presented by

Joanna Lannigan

School of Medicine, University of Virginia, Charlottesville, VA , USA

Robert Salomon

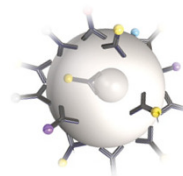

Garvan Weizmann Centre for Cellular Genomics, Sydney, NSW, AUS

This full day seminar will discuss Best Practices in Shared Resource Laboratories/Facilities. The content is directed toward users in these institutions, but is relevant for all users of cytometers.

SRL Best Practices topics:

- Managing Data in a Flow Cytometry Core
- SOPs – Why You Need Them
- Training and Education
- Laboratory Safety in a Flow Cytometry SRL
- Quality Control and Quality Assurance
- Staffing
- Emerging Technology

Date & Venue:

Fri 8th June: Melbourne

Burnet Institute of Medical Research

Full day seminar: \$50 for ACS members and students
\$120 for non-members
