DOCUMENTS

The following documentation must be attached:

- A curriculum vitae summary (approx. 1 paragraph or up to 8 dot points) and photograph suitable for publication on the ACS website
- A statement summarising the nominee's major contributions to the discipline and/or practice of cytometry, with information attesting to the high standards of conduct of the candidate (max. 1 page)
- A bibliography of publications, contributions, service to their relevant discipline
- A letter of recommendation (approx. 1 page) from the nomination proposer

Email this completed form to: secretary@cytometry.org.au

Allow 7 days for acknowledgement of receipt.

Nominees must be current ACS members and will be contacted for confirmation by email.

See ACS website for further information and conditions.
